

- NAHV Financial Planners provide independent advice to independent entrepreneurs, directors, main shareholders and individuals.
- The advice we offer is objective and independent because we don't sell financial products.
- We assess your financial situation and advise you on strategies to improve your situation. We help you create a financial plan to realise your goals. We can also offer pro-active support at a later date, helping you adjust your plans and achieve your objectives as circumstances change. Sound advice also needs to be periodically reviewed and updated.
- We act as your financial coach, working with you to gain and maintain control of your financial future.

TAKE CONTROL OF YOUR FINANCIAL FUTURE WITH NAHV FINANCIAL PLANNERS!

Contact us today to make an obligation-free appointment with one of our financial planners!

Let our financial planners help you achieve your financial goals!

Give you a clear picture of your financial situation and help you to achieve your goals and dreams.

Do you dream of a worry-free financial future?

- Do I have sufficient retirement income?
- Do I have sufficient income if I am incapacitated for work?
- Should I redeem my mortgage?
- Should I save to pay for my children's education?
- Can I afford a round-the-world trip?
- Can I retire early?

DO YOU HAVE SUFFICIENT INCOME IF YOU ARE INCAPACITATED FOR WORK? If you were unable to work, how would your income be affected? Are you over-insured? Are you under-insured? Do the terms and conditions of your current Invalidation Insurance (still) apply to you?

WHAT ARE YOUR PENSION PLANS? How much pension have you accrued and what is your net income after retirement? How can you retire early? How can you build up (extra) pension?

HAVE YOU INSURED YOUR INCOME AGAINST THE RISK OF UNEMPLOYMENT? As an employee, are you entitled to unemployment benefit? How long will you qualify for unemployment benefit on the basis of your employment history? Will you still be able to cover your living expenses if you are unemployed?

WHAT HAPPENS TO MY ASSETS IN THE EVENT OF MY DEATH? Do I need to make a will?

HOW WILL YOUR DEATH AFFECT YOUR PARTNER'S INCOME? How will your or your partner's income be affected if one of you dies?

SHOULD I REDUCE MY MORTGAGE COSTS?

Given my situation, is it advisable to redeem my mortgage fully or in part?

CAN I PAY FOR MY CHILDREN'S EDUCATION IN THE FUTURE? Is it sensible to set money aside for this and if so, how much?

DO YOU WANT MORE CONTROL OF YOUR FINANCES?

I'd love to set aside money each month for unforeseen expenses or a cruise, or a round-the-world trip...

DO YOU SIMPLY WANT A CLEARER UNDERSTANDING OF YOUR CURRENT SITUATION? What are your incomings and outgoings? What are your assets?
